Jim Marion, Sophie Speelman, and Tamar Campbell joined us via zoom to discuss our Report card and what happens next.

They are going to give us background the closure process, where report card data is and where we can improve. The ESC of Central Ohio will be more involved now with the school. They did Congratulate us for receiving the Bronze Award for PBIS.

We received our first strike in the 2022-2023 school year and just received our second strike. Must achieve gap closure to get off the closing list. We were one of five community schools that Received a second strike. The work we do now is vital.

They went over what has to be done and the responsibilities of the ESC. Attached is the presentation that was given.

No action was taken on anything.
